9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

When a SAWS1 (the new version) is received and the customer has checked the box to apply for Health Coverage only but they have answered the questions with a shopping cart next to them, is this considered an application for CalFresh? The previous SAWS1 had a box to check indicating no to CalFresh. The new form does not have yes or no boxes.

10. REQUESTOR'S PROPOSED ANSWER:

If the box for CalFresh has not been checked then we do not have an application for CalFresh, even if the customer answer the shopping cart questions.

11. STATE POLICY RESPONSE (CFPB USE ONLY):

Per our conversation clarifying the procedure, the county processed the old version of the SAWS 1 when boxes specifying the application is for CalFresh were left unmarked. Same as for the prior applications, If the county is unsure for which services the applicant has applied, the county shall process the application unless the county contacts the applicant to verify for which programs they would like to be considered.
