However, ACL 12-25E Page 15 (question #26) states, "If the shelter cost would result in a decrease in benefits, the CWD must notify the recipient that benefits will not change (via a "no change NOA"). Please clarify which one is correct.

2. Does Verified Upon Receipt (VUR) apply to Shelter Cost change reported during the semi-annual period?

10. REQUESTOR'S PROPOSED ANSWER:

As with changes in income and household composition, when change in shelter costs considered VUR, the new shelter amount should be used regardless of increase or decrease in benefits.

1. Please follow the instructions as stated in ACL 12-25E, Question and Answer #13. The answer for # 26 is incorrect.
