Scenario:

Domestic Violence Shelter is setting up a self-sufficiency program for its residents. Residents may stay in the program for up to six months.

What is the definition of "temporary" in regard to Residents of Shelters for Battered Women referred to in 63-402.46?

10. REQUESTOR'S PROPOSED ANSWER:

Unknown

11. STATE POLICY RESPONSE (CFPB USE ONLY):

There is no specific definition of "temporarily residing" in the state regulations. However, MPP 63.402.4 states that "individuals shall be considered residents of an institution when the institution provides them with the majority of their meals as part of the institution's normal services. Residents of institutions are not eligible for participation in CalFresh." Residents that are "temporarily residing" in the self sufficiency program and are provided the majority of their meals there are considered a resident of an institution and therefore should be taken off Calfresh. It is the counties responsibility on a monthly basis to make the determination of the "temporary" resident based on this criteria.
