9. QUESTION: (INCLUDE SCENARIO IF NEEDED FOR CLARITY):

CalFresh applicant has unresolved IFDS issue (last CalFresh case was discontinued due to non-compliance for IFDS) and is again applying for CalFresh and requesting Expedited Services (ES). This has occurred several times that the applicant receives ES and is referred to the IFDS Worker to comply with pending IFDS issues but fails to comply but returns the following month to apply for ES again.

Does the same rule that applies for 'postponed verifications' apply to outstanding IFDS verifications when it pertains to ES?

10. REQUESTOR'S PROPOSED ANSWER:

If a CalFresh case is discontinued for unresolved IFDS abstract issues, the approval for benefits should only occur if the client cooperates and resolves the outstanding issue.

Per Section 63-301.548, Application Processing Time Standards:

'There is no limit to the number of times a household can be certified under ES procedures, as long as prior to each expedited certification, the household either completes the verification requirements that were postponed at the last expedited certification or was certified under normal processing standards since the last expedited certification.'

11. STATE POLICY RESPONSE (CFPB USE ONLY):

CDSS concurs, if the client does not resolve the previous request for information, the application shall be processed utilizing normal (30 day) processing guidelines.
