

Situation:

HH consists of pregnant woman only. Case was correctly pulled from the all families universe as a secondary review. There are no other children in this AU. The review month was April and the child was born at the end of May.

Question:

Can this case be reviewed?

Will this create an edit since there will be no data collected for the child born after the review month?

Answer:

Yes.

Yes.

Force the data. Call Carlos or Marlene and tell them this is a PWO case.
