

Quarterly Reporting/Prospective Budgeting Questions and Answers

Question: What happens to a mixed FS HH when the CW grant is decreased due to a drug/fleeing felon or probation/parole violator? Should the FS case result in an increased benefit?

Response: The PAFS person must also be discontinued and the new decreased CalWORKs grant amount must be used to determine the new FS benefit level. Since the case action is a result of a CalWORKs mandatory reporting requirement, the CWD would react to the report and take action to increase and/or decrease the FS benefits as appropriate. This also applies to mixed FS HHs.
